

Couple Believe The Lord Will Provide, and He Has

A young Torrance couple who are starting a new north Torrance church believe that the Lord will provide for their new ministry, and to date, they report that the heavenly co-operation couldn't have been better.

Rev. and Mrs. Rollan Morgan will dedicate their new North Torrance Foursquare Church at 18098 Prairie Ave. Friday night at 7:30 p.m., climaxed nearly nine months of hard work on their part.

Both graduates of LIFE Bible College, Los Angeles, the couple found the church site last year and discovered that Mrs. Bertha E. Trombley, who owned it, had been saving it for a number of years as a church site. She said she had been offered more money for the land, but felt that a church should be located there and had previously refused to sell it.

Ironically, Mrs. Trombley died on the day that the escrow was completed last October. She was 85.

Rev. Morgan moved into Mrs. Trombley's house, which is located on the church property and made plans to erect a tent on the property in which he could hold services. He had purchased the tent and was planning to put it up when the nearby Ascension Lutheran Church offered him an old building which was no longer needed because a new church recently had been built.

He arranged to have the building moved onto the property and he and his wife began getting it ready for use by a congregation which the Lord had not yet provided. To their surprise, they were joined in their work by a number of the neighbors, most of whom did not go to any church speeding the completion of the work.

The result is the church building, seating 85 people, which will be dedicated tomorrow night at 7:30 p.m., with Dr. Earl W. Dorrance, district supervisor for the Foursquare Churches of Southern California, as speaker, and the Rev. Harold Hawkins, North Redondo Chapel as song leader.

Rev. Morgan decided not to use the usual method of starting his church—canvassing the neighborhood. He says he believes that the Lord will help him gain members for his congregation.

Assisted at Compton a native of Texas, Rev. Morgan was formerly assistant pastor at the Foursquare Church of Compton for a year before moving to Torrance. Both he and his wife graduated from LIFE Bible College in June, 1955, both attending school together, although they have been married for 12 years. They have three children—Shirley, 10; Sharon, 8; and Rolinda, 6, who have helped with the work on the church.

Mrs. Morgan said she felt called to go to school with her husband. Some people told her that she shouldn't go because of her children, but to her surprise, after the first week of school, the college began a nursery school for its students.

Rev. Morgan is working in a steel mill to support his family while the new church is being built.

Schedule Set A complete schedule of services is planned at the church—Sunday school at 9:30 a.m.; worship service at 11 a.m.; young people's meeting at 6:15 p.m.; and evangelistic services at 7:30 p.m. Ladies' prayer meetings will be held Wednesday at 7:30 p.m., while Bible study classes are at 10:30 a.m., Thursday.

The Morgans aren't sure that anyone will attend their services, but just as in the past, they are sure the Lord will provide.

THE LORD PROVIDED... Rev. and Mrs. Rollan Morgan will hold dedication services at their new North Torrance Foursquare Church, 18098 Prairie Ave., tomorrow night. The rites will climax months of work by the couple. The building was donated to them and despite the lack of a congregation, much of the work was donated by neighbors. The couple believe that the Lord will provide, and so far, He has done very well, they report.

PENTECOST RITES SET

The festival of Pentecost will be commemorated at First Lutheran Church, Carson and Flower, this Sunday. Pentecost Sunday takes place 50 days after Easter. On this day the Holy Spirit was poured out upon the Apostles and the Christian Church to give them power to witness in the name of Christ.

All parents who wish to dedicate themselves to bring up their little ones in the nurture and admonition of the Lord may contact the church office or the parsonage. A complete modern-crib nursery is available and attended at all church services.

11 Couples Will Be 'Remarried' At Church of Religious Science

Eleven couples will be "remarried" at 11 a.m. rites at the Church of Religious Science, Ruby St. and Catalina Ave., Sunday, as Dr. Earl D. Barnum presents his interpretation of the "Mystical Trinity."

The wedding rites are designed to reaffirm the wedding vows, according to Dr. Barnum, since too many couples enter into marriage with the idea that if it doesn't work out, they can try something else. The services is designed to emphasize the serious and sacred aspect of the ceremony.

Traditional Decor The church will be decorated in the traditional white flowers and white tapered candelabras. Each couple will repeat the traditional vows in a nearly exact duplication of the original ceremony.

Participating will be Messrs and Mmes. John Hartwick, Jack Kelly, Jay Jones, Jack Bennett, Merton Case, Neal Vocke, Ted Corazza, Everett Bishop, Fred Lembka, Frank Cowles, and Darell Tenneyck.

Sermon Set In his sermon, Dr. Barnum will explain that the "Mystical Trinity" is a basic formula in all forms of life, as expressed in minerals, plants, animals, and humans.

The regular inspiration hour next Wednesday at 1 p.m. will have as its theme, "In Faith I Ask," with a group discussion following Dr. Barnum's talk.
